EVM Stock Exchange Offer Extended

EnviroMission's Stock Exchange Offer to SolarMission Technologies Inc, (SMT) common share and warrant holders has been extended from AEST 19:00, Friday 27 June, until **AEST 19:00, Friday 18 July, 2008.**

The extension of the close of the offer has been made in consideration of a number of 'non-deliverable' mail returns due to some SMT security holders failing to provide current contact details to the SMT company secretary.

EnviroMission will resend the Stock Exchange Offer to the relevant SMT share and warrant holders where alternative (current) addresses have been located.

The Stock Exchange Offer has been made by EnviroMission with the aim of acquiring majority ownership of SMT to control Solar Tower development in all markets.

Ends.
