INDIA SOLAR TOWER DEVELOPMENT RIGHTS UPDATE

[EnviroMission Limited](#) has received an update from RA Solar regarding the progress of RA's capital raising for Solar Tower development in India, in so far that capital is material to RA's ability to meet the commercial terms of the India Solar Tower Development Rights License agreement with EnviroMission Limited.

RA expects the funds being raised for Solar Tower development in India will flow to RA by "week's end", at which time RA will immediately settle the financial terms of the development rights Heads of Agreement with EnviroMission.
